

Pet Rules:

Pets are not allowed on bed, furniture, or jacuzzi tub. They must have their own pet bed or travelling cage. Be watchful and cautious not to let your pet cause any damage to linens, blankets, etc or leave spots on the carpet. You will be billed for extended cleaning fee of at least \$25 if there are spots or too much hair left on the carpet. If you need to give your pet a bath, please ask the Office for the Pet Bath Station. If they are not comfortable being left in the room that they tend to bark and cry, please take them with you so as not to disturb the other guests. When walking your pets outside, they must be on leash, and you must clean up after them. We love your pets too, but we need your understanding and cooperation, so everybody on the hill will have a pleasant stay.
